Dear Honorable Martin Glenn,

I hope this letter finds you very well.

My name is Marco Antonio Sabal Farah, from Lima - Peru and I was recognized as a eligible creditor of Celsius.

I was thinking of writing this letter for a while now, but did not want to disturb you.

As you are well aware Celsius' Plan of Reorganization was approved. Nonetheless, I've sent emails to Stretto and Kirland & Ellis explaining why I can not receive my claim distribution through Paypal or Coinbase (Paypal does not support cryptocurrency in my country and I can not acces my old Coinbase account - which I've tried innumerable times -).

The reply to my emails are mostly autogenerated referring me to the Distribution F.A.Q. As of now I do not know if my claim distribution will be distributed and in which manner.

I've been waiting for a long time to receive my claim distribution and I only have uncertainty in this matter. Please, help eligible creditors that are in my position have their claims distributed effectively.

Thank you for your time and patience.

Regards,

Marco Antonio Sabal Farah
